<u>A note about Sorbets:</u>	Sorbets are a water-based product. They provide an alternative to ice cream for those who are allergic to milk or for those who enjoy a fat free frozen treat. COWS Sorbet is fat free, but is <b>not</b> sugar free. Customers may ask what the difference is between a sorbet and a sherbet. The answer is that sherbet is a cream-based product and sorbet is a water-based product. Sorbets do not contain eggs.
